PROFILE

In the year 1975, **Mr. Girish Chandan**, founder of our company started his carrier with his joint family run business for importing Dry / Wet Dates, Dry fruits. Etc. In the year 1999, he diverted the business to export of spices and foodstuffs namely "**Global Exim**" with his two well educated and business-oriented sons **Mr. Dhruven Chandan** and **Mr. Prashant Chandan**. In view to expand the export business, we have incorporated a company namely "**GEE GLOBAL EXIM LLP**" in 2019 with other family members as working partners of the company.

Mr. Girish Chandan
FOUNDER

Due to sincere efforts and dedication of all the partners our company has grown by leaps and bounds and rewarded "**Star Export House**" recognition by Govt. Of India in the year 2022.

Our principal activity of business:

We are merchant exporter, procure the quality goods directly from the producing centers as well as leading manufacturers of India, We further process the goods in our unit such as cleaning, grading, sorting, grinding, packing etc. under our personal supervision, prepare the best quality goods for our customers as per their requirements. Presently our goods are being exported to gulf countries like Dubai, Qatar, Oman, Bahrain and Far East countries like Singapore, Malaysia, Indonesia and expanding to more countries.

Our Mission:

Our Mission is to supply multiple Spices & Foodstuffs items of premium and Hygienic quality in good and sound packaging at timely delivery and off course at competitive rates.

In view to provide all items under one roof we are presently supplying almost 75 items to our regular overseas buyers and are keen to add more items in our supply list. Please go through our Product list section.
